

Pressure Tanks

SAMT

Specialised Air Motors and Transmission

TONSON®

About TONSON AUSTRALIA

TONSON AUSTRALIA is a Specialised Air Motors & Transmission Company; an innovative manufacturer and supplier Of Explosion proof Products to Industries including Mining, oil & Gas, Chemicals & Paints , food & Beverage, paper & Plastic, Pharmaceutical, Manufacturing & Power Transmission. Our products meet CE standards ISO9001 & ISO9002.

At TONSON Australia (SAMT) we continue to develop new products for better working efficiency at competitive prices. We Manufacture wide range of industrial equipment and hold several international patents.

"Efficient & Reliable Global Brand"

TONSON Australia (SAMT) products include a complete range of Air Motors, Air Mixers, Drum Air Mixers, Air Fans, Pressure Tank, Drum Handling equipment, Air Diaphragm Pump, and Spray Guns for use in all major industries. Patented products are registered in countries including USA, Taiwan and China; including 100% Explosion-proof radial piston air motor, 100% Explosion-proof air fan, Reversible Air Motor Control & Bung entry mixer. Unlike other conventional products, our products mainly utilise air instead of electricity as the source of power; thus, it eliminates the chance of electricity shock and fire which are the most crucial factors for industries involved in chemical, flammable or volatile contents. TONSON Air Motors, Air Mixers, and Air Fans are engineered to meet the highest standard featuring 100% Explosion-proof, low air consumption, light weight, high torque, reversible stepless speed control, easy maintenance, and various mounting method. It may also be applied in harsh working condition such as humid, high temperature and volatile. Engineering safety factor and material selection are taken into account seriously upon design and manufacturing to produce the most safe and reliable equipment.

"Innovation & Quality, that's the key to our success"

At TONSON Australia we continually strive to offer our customer complete drive solutions and therefore we have partnered with Global brands in Power Transmission and Gearbox drives, providing complete drive solutions; Specialising in Industrial Gearboxes, Explosion proof electric AC & DC Motors & All power Transmission components such as Fluid Couplings, Brakes & Clutches, Gear and Tyre Couplings, Chain and Belt power transmission drives. We also provide solutions to meet your customised requirements, Including full engineering & AUTOCAD service and assistance with design, selection and site installation.

We can also customise any product to suit your specific requirements and will investigate the possibilities of developing new products to satisfy your special specifications.

"Innovative Ideas, Exclusive Technologies since 1966"

This Brochure has been dedicated to our extensive range of Explosion Proof Piston Air Motors, We have the biggest range of air motors in Australia., we can also customise any air motor to suit your requirements. For all other products please refer to their dedicated brochure.

ACCESSORIES

Drum Heater

For material heating
Temperature & Size
specified with order

**TS-AC
Auto Paint
Mixer**

**80L 60L 40L 30L 10L
Inner Tank** Other capacities may be customized

Easy to mix
different
materials
(as right)

Material of Inner Tank

**Stainless
Steel Iron**

TONSON 30L Pressure Tank is
compatible with standard 20L
square containers or drums.

OPTIONAL FUNCTIONS

Feed Inlet Window Hanger Oriol Bottom Outlet Paint Filter Flat Bottom Outlet

SS electroplated for Corrosive SS Polishing for Food Industry with Gear Reducer High Torque CP-7 with Filter no Deposit & Block Fluid Position Tube SS Dual-Layers

CP-8
Double Stainless Steel Layers to
keep material warm, idea for
semiconductor or food industries

Diverse Capacity & Material available Dual Layers No Press Brake & Side Open Cover Different shapes of Funnels may order Many Outlets for many guns work at one time Stainless Steel Cover Bolts

CUSTOM PRESSURE TANK

CP-37
60L pressure tank w/ legs

CP-38
SS 30L w/ look legs

CP-39
30L w/ 1/6hp air mixer & trailer

CP-5
30L w/ 1/6hp air mixer, 1" pump, filter & trailer

The capacity of spray-gun cups normally is less than 1L, and using Pressure Tank (2L-500L) can increase working efficiency without refilling paint again and again.

CP-40
80L with filter Varnish paint

CP-41
30L with spider legs & bottom outlet

CP-42
30L w/ 1/6hp air mixer & dual outlets

CP-43
60L w/ 1/6hp air mixer and platform

CP-11
with high hanger to hang cover at material filling

CP-44
100L with 1/4hp air mixer

HIGH PRESSURE TANK (THICK TANK)

CP-45
60L high pressure tank with dolly

CP-46
Stainless Steel electroplated high pressure tank with trailer & filters for corrosive fluid

CP-47
100L SS high pressure tank w/ 1/4hp air mixer

CP-48
200L high pressure tank w/ flange outlet

CP-49
200L high pressure tank w/ 1hp air mixer & bottom outlet

Electric Mixing Tanks available

No Pressure

Pressure

CUSTOM DUAL-LAYERED PRESSURE TANK

CP-36
200L Stainless Steel Dual-layered High (Thick) Pressure Tank with 1/3hp air motor (plus reducer)

CP-15
200L Stainless-Steel-electroplated Dual-layered High (Thick) Pressure Tank with 1hp air motor

CP-20
200L Stainless-Steel-electroplated Dual-layered High (Thick) Pressure Tank with 3/4hp air motor & Stainless Steel Trailer

CP-30
30L Dual-layered Pressure Tank with 1/4hp air motor

CP-32
30L SS Dual-layered Pressure Tank with 1/4hp air motor

CP-31
60L SS Dual-layered Pressure Tank with 1/4hp air motor

CP-33
80L SS electroplated Dual-layered Pressure Tank with 1/4hp air motor

CP-34
150L SS Dual-layered High (Thick) Pressure Tank

CP-35
200L SS Dual-layered Pressure Tank with 3/4hp air motor (plus 20:1 Gear Reducer)
